NOTICE OF EXTRAORDINARY GENERAL MEETING

An extraordinary general meeting of shareholders of Compagnie Financière Richemont SA, Geneva, Switzerland (the “Company”), will be held at 10 a.m. on Thursday 9 October 2008 at the Four Seasons Hotel des Bergues, 33 Quai des Bergues, 1201 Geneva.

AGENDA

1. Approval of the restructuring of the business of the Company to separate its luxury goods operations from its other interests and consequential amendments to the articles of association of the Company to allow the removal of the twinning of the shares with participation certificates of Richemont SA.

The Board of Directors proposes to approve the restructuring of the Company's business to separate the luxury goods operations from the Company's other interests, in the manner outlined in the Information Memorandum of Compagnie Financière Richemont SA and Richemont SA and dated as of 15 August 2008. As a consequence, the Board of Directors proposes that the articles of association of the Company be amended as follows:

Current text	Proposed change
9. Preferential Subscription Rights	No change
In case of an increase of the share capital, the initial relation between the number of registered shares and the number of bearer shares shall be respected. Each shareholder is entitled to subscribe, with regard to his class, a fraction of the newly issued securities corresponding proportionally to the number of shares of said class which he is already holding.	No change
However, each class of shareholders may, by a resolution adopted by at least two thirds of the votes cast and the absolute majority of the nominal share capital attributed to the respective class of shares represented at the General Meeting, waive its preferential subscription right for important reasons. By the terms of the law (art. 652b of the Code of Obligations), important reasons include, without limitation, the acquisition of participations or of a business enterprise in whole or in part and the participation of employees. Should such a waiver occur with the class of holders of registered shares, it shall be up to the Board of Directors to determine the persons, shareholders of another class or third parties, to whom the shares not yet subscribed to shall be offered.	No change
Whenever the shareholders of the Company (or respectively one class thereof) waive, or do not, according to Swiss law, benefit from their preferential subscription right with regard to any increase of the Company's share capital, such shareholders shall be deemed to have simultaneously waived their subscription right with regard to the participation certificates issued at the same time by RICHEMONT SA, Luxembourg. 10. Twinning of Shares

The registered and bearer shares issued by the Company (hereinafter “the company's shares”) shall bear the following legend: “Each share of the company is twinned with a participation certificate issued by Richemont SA, Luxembourg, (hereinafter “Richemont SA PCs”) so that the securities representing the company's shares and the Richemont SA PCs form a single negotiable instrument and so that the shares and the PCs may not be separated.

The above is hereafter subject to the particular provisions of the Articles of Richemont SA relating to the twinning of the Richemont SA PCs with the company's shares”.

Articles 11 to 37 of the articles of association of the Company are re-numbered accordingly.

This agenda item shall become invalid, and the proposal of the Board of Directors set forth above will be withdrawn, if:
